PROJECTS

CYBER BULLYING DETECTION

- Tech Stack: Pytorch, Firebase, Gradio
- Integrated Firebase for user authentication, ensuring secure access and user management.

INCOME TAX CALCULATOR

- Tech Stack: Python Tkinter.
- Developed an interactive Income Tax Calculator using Python and Tkinter to provide users with a user-friendly interface for calculating their income tax liabilities.

AMAZON WEBSITE CLONE

- Tech Stack: HTML, CSS.
- Developed a realistic Amazon clone using HTML and CSS to replicate the look and feel of the popular e-commerce platform.

EDUCATION

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

Bachelor of Engineering, Computer Engineering

CGPA: 9.34 (Cumulative)

Pune, India

2021-2025

Delhi Public School, Pune

All India Senior School Certificate Examination (CBSE)

Percentage: 94.40%

Pune, India

2020-2021

Delhi Public School, Pune

All India Secondary School Examination (CBSE)

Percentage: 95.60%

Pune, India

2018-2019

SKILLS

- **Programming Languages:** C++, Python, JavaScript, Java
- **Web:** HTML, CSS, React JS, Node JS, Express JS, MongoDB, Bootstrap, Firebase
- **Databases:** MySQL
- **Data Structures and algorithms**
- **Object-oriented Programming**
- **Soft skills:** problem solving, Team collaboration, Decision Making Time management.
- **Developer Tools:** VS Code, GitHub, PyCharm, Eclipse

ACHIEVEMENTS

- Solved 200+ questions on Leetcode.
- 5 rating on Hackerrank in Python
- Passed the first round of UNSTOP Flipkart Grid.
- Secured 626 rank in MHT-CET

CERTIFICATIONS

- Supervised Learning Course by Andrew Ng, DeepLearning.AI on Coursera
- Node JS Course on Scaler.
- Python for Everybody, Michigan University, on Coursera.

CODING PROFILES

- **Codechef:** vivek082
- **Leetcode:** coder-vivek_03
